Feel free to pick your preference or give them all three titles.

In EPA's official hiring classification/grade system, I am an environmental engineer.

Within the R10 Office of Compliance and Enforcement, I am a Compliance Officer and Inspector.

I'm not one for titles, but CO/Inspector is more in keeping with the actual regulatory function I am performing in doing the recon inspections.

Again, feel free to give them all three if you think it matters.

Hi Rick,

What is your title? Noble is asking.
